

Insider Packages

Are you ready to live a life in style?
Never worry about 'what to wear' ever again!

The Insider packages are ideal for you if you've got a demanding personal and professional life and are very aware of the importance of your personal brand image. You want to streamline your style completely ... by investing in yourself so you don't spend time shopping or worrying.

Each Insider program includes a Day Package to get you started and plenty of follow up time throughout the year to ensure you're completely taken care of and in style! There is a package to fit your budget and needs.

Find the package for you!

1

If you're in the spotlight, going to events and need to be prepared for any occasion plus you simply don't have time for shopping.

2

If you're in the spotlight, the key decision maker for your organization and speak at least a few times a year plus you don't have the time or care to worry about shopping for a big event.

3

If you need someone consistently available to keep you prepared for your many speaking engagements and special events for both your professional and personal lives.

You'll learn:

What works for your body type

Define your personal style with the best cuts, fabrics and textures that work with your Inner Style

Your power colors that bring out your confidence and inner beauty

You'll also get:

Shopping done FOR you throughout the year for your wardrobe as well as special events

Peace of Mind knowing you're building a wardrobe that is true to their personal brand

A streamlined style that is innately YOU ... easy mixing and matching and a style that fits your lifestyle and needs.

Bonus:

Style Library photo reference of all your styled looks

Style File including all the notes from our session, how to dress for your body type and suggested brands and stores for you
